

2022 NC Brewers Cup Competition (NCBC)

Entry Registration Guide

Use this Entry Registration Guide to determine the best registration categories for your entries. If you have questions, please contact Lisa Parker at lisa@ncbeer.org

1. Entries will be judged according to the [2022 Brewers Association Style Guidelines](#), per the table below.
2. Entries will be accepted for the 36 NCBC categories listed below. *The NCCBG reserves the right to combine categories for medal distribution, based on the number of entries received.*
3. Regardless of NCBC medal category, each entry will be judged blind according to the Brewers Association category style guideline for the associated NCBC subcategory entered into.
4. Entries will additionally be accepted for a 36th category: "NC Home-Grown": To qualify for this category, 55% of the beer's dry-weight ingredients must be sourced from North Carolina produced products.
5. Entry limit: A brewery can submit a **maximum of 10 entries** into the competition.
6. Breweries may submit the same beer brand into multiple categories. *(For example, if a beer is entered into a one NCBC category, but also meets the definition of the "NC Home-Grown" category.)* However, entrants must still submit two (2) containers for each entry registration.
7. Please avoid any reference to brewery name, brand, beer name, or locale in the description's "Entry Notes".
